VIOLATION OF TITLE 22, CHAPTER 13, SECTION 63770, DISTRIBUTION SYSTEM STAFF CERTIFICATION REQUIREMENTS, LAKE SHASTA PINES RV PARK & CAMPGROUND (PWS 4500101), LAKEHEAD, SHASTA COUNTY, CA

As of November 1, 2017, Ronald Mihelic's D1 certification expired. Ronald Mihelic is the designated certified operator and onsite manager at Lake Shasta Pines RV Park & Campground. As required in regulation, the Park's designated chief operator is responsible for the day-to-day, hands-on operation of the chlorination treatment system. By allowing an uncertified operator to make decisions regarding the control and adjustments of the Park's chlorination system, the Park is in serious violation of Title 22, Section 6377 Distribution System Staff Certification Requirements, which states:

(d) Water systems shall utilize either certified distribution operators or treatment operators to make decisions addressing the following operational activities:

- (1) Determine and control proper chemical dosage rates for wellhead disinfection and distribution residual maintenance.*
- (2) Investigate water quality problems in the distribution system.*

Lillian Lewis/ Lake Shasta Pines RV Park & Campground is directed to perform the following:

- **By February 1, 2018**, must provide evidence of a renewed valid certification or
- **By February 1, 2018**, must provide evidence of a contract with distribution operator holding a valid certificate.

Finally, take note that with the recent changes to the Health and Safety Code, the following individuals are in violation of Section 106878, Civil Liabilities:
